Fairseat News 30th December 2020

Tomorrow, at the Fairseat Pub Nite, Gladys has kindly offered to provide supper for those that want to “eat out” on the last night of 2020.

If you want to eat at Pub Nite then please make it clear to your carer when placing your supper order otherwise order in the normal manner for delivery to your residence.

The supper will be Simple Chicken Soup followed by Margarita Pizza & Assorted Sandwiches

The Pub Nite will be a “Free Night” for everyone as the manager will pick up the bill in honour of Andy’s long service to the community.

I am also reliably informed that Mike “Donny Osmond” Lee is putting together some music to listen to and that the Scottish contingent have organized some sort of heathen ceremony that involves wailing and leaking bladders.
