Fairseat News – Saturday, 1st February 2020

I write to inform you of the death of Madeline Thornton, who passed away early this morning just before 6 am. She went peacefully and gently in her own bed with her night carer Dorothy beside her. She had been a resident of Fairseat since July 2008.

Madeline was turning 95 yrs. old in July this year and had lived a long and interesting life by any measure.

Madeline, was widowed and is survived by her son Chris who lives in Australia and her daughter, Sarah, who lives close by near Runda.

Madeline wished to be cremated and arrangements have been made for a private service later this morning.
