## Fairseat News – 12 June 2020

- **Borehole Service** – I apologise for the late notice but this morning we started our borehole service which has been delayed due to the lack of water coming in from Nairobi County Council. Today we started getting NCC water again after about 2 months and I wanted to take the opportunity to complete this critical service whilst we can. Please **CONSERVE ALL WATER** – if all goes well we should be back to normal again by Saturday afternoon. So please **SMELLY SATURDAY for all residents and staff** – no showering, no washing clothes or cars, no washing floors or using mops.
