

Fairseat Foundation

Fairseat News – 28th November 2020

- **Borehole Service** – I apologise for the late notice but on Monday morning we will start our borehole service which is done 3 to 4 times per year depending upon water quality. With the good rains recently, I want to take the opportunity to complete this critical service whilst we can. Please **CONSERVE ALL WATER** – if all goes well we should be back to normal again by Tuesday afternoon. So please **SMELLY MONDAY for all residents and staff** – no showers, no washing clothes or cars, no washing floors or using mops.
