## **Fairseat News – Monday, 30<sup>th</sup> November 2020**

I write to inform you of the death of Brenda Kampf, who passed away late this afternoon just before 6 pm. She went peacefully and gently in her own bed with the nurse and two carers beside her. She had been a resident of Fairseat since July 2015.

Brenda had turned 98 years old in August having lived a long and eventful life by any measure. Brenda was widowed and is survived by her daughters Mary, Sally and Liben.

Brenda will be cremated once the arrangements have been made for a private service. The family will arrange a memorial service in due course.

Ben Allen
