## Fairseat News 8<sup>th</sup> April 2021

I write to inform you that Andrew Patterson Hamilton passed away last night just before midnight on 7<sup>th</sup> April 2021 at the age of 93 years. His death was due to complications after getting the Covid-19 virus for which he was admitted to the AKUH last week. Andy was a widower but he is survived by his son Neil and brother Bobby who both live in the UK.

Andy moved into Fairseat just over 5 years ago in January 2016. He will be greatly missed and was a very active and enthusiastic part of our community.

He will be cremated in a private ceremony as soon as practical

Our thoughts and prayers are with his son, Neil, and his brother Bobby and their families.
