Fairseat News – Friday, 8th January 2021

I write to inform you of the death of Doreen Hartley, who passed away this evening just before 10 pm. She went peacefully and gently in her own bed with her son Aidan, our nurse Beatrice and carer Anna beside her as they listened to Vera Lynn songs. She had been a resident of Fairseat since December 2011.

Doreen was due turn 96 years old in February having lived an eventful life by any measure. Doreen was widowed and is survived by her daughter Bryony, and her sons Richard, Kim & Aidan.

Doreen will be cremated once the arrangements have been made for a private service.

Ben Allen
