## Fairseat News – Friday 6<sup>th</sup> July 2021

- **Fairseat policy following 2<sup>nd</sup> vaccine** – the board have agreed to relax the policies Fairseat have had in place to mitigate against the Covid-19 virus. All residents and most staff have had two vaccinations. With this in mind, our policies will change on Friday, 9/7
  - *Residents may come and go without restrictions*
  - *Residents will not be required to quarantine after external visits, be they medical or social*
  - *All residents will be able to use the dining room, the Widgery Room and attend indoor events such as films and church services together.*
  - *Residents will be able to have visitors including children.*
  - *Residents will be able to invite their visitors to stay for meals but they must eat on the veranda or in their residences.*
  - *Residents will not be required to wear masks in and around Fairseat. Staff will continue to wear masks even though they have all been double vaccinated.*
  - *Any visitor who has not been “fully” vaccinated will be asked to wear a fluoro jacket when inside Fairseat and must wear a mask. This will rely upon an honesty system and will be reviewed in due course.*
  - *Visitors who have to wear fluoro vests are not permitted in the dining room, Widgery room or inside residences without specific permission from the manager. All social activities should be outside or on a verandah.*
  - *The nurses will continue to check resident temperatures daily.*
  - *The gate security staff will continue to check temperatures of the staff, visitors, the builder’s staff and delivery personnel when they enter at the gate.*

The board have urged me to emphasise to all residents that, just because they have been vaccinated, they are not completely safe against being infected with Covid-19. The vaccine makes them less likely to be infected, less likely to be very sick if they are infected, even more less likely to require hospitalisation and very unlikely to die compared to their situation if they were not vaccinated. But, there are always exceptions and residents need to appreciate that they generally have a multiple number of co-morbidities that make them much more likely to become part of the exceptions than the average man in the street. Age is a good example to start with! So, please, we ask both residents & staff to continue to be cautious in their behaviour & avoid risky situations when possible.

- **Residents** – Edwin continues to recover from his recent operation. Anja is safely back from Greece and has had her second vaccine. Angela’s daughter is coming to see her from USA. Delphine has had her daughter and grandsons visiting from the northern hemisphere.
- **Resident birthdays & anniversaries** – We have no resident birthdays at all in July. However, we will still be able to celebrate as on 14<sup>th</sup> July we have the 32<sup>nd</sup> anniversary of the date when Vivien Horwood donated the land upon which Fairseat now sits. I think it will be a suitable occasion for us to celebrate our second vaccination and remember Vivian’s extraordinary generosity.
- **Remembering residents** – we remember our major benefactor, Vivien Horwood, who died 19/7/1989, Jeanette Chubb (20/7/17), Liz Fowler (24/7/17), Tobina Cole (27/4/16) and Libo Barton (30/7/17).
- **Staff** – residents should have had an opportunity to meet the most recent addition to our nursing team, Laura, who started yesterday. John Kamau is on leave for 4 weeks so Francis will be on his own. Ben will be away from early Friday, 9/7 & returning on Monday afternoon, 12/7.
- **Fairseat Pub Nite** – the next one was due to be Wednesday, 14<sup>th</sup> July but given that we are celebrating “Foundation Day” on that day it has been agreed to cancel that Pub Nite and so the next pub nite will be at 5.30 pm on Wednesday, 28<sup>th</sup> July.

- **Copacabana Club** – next one is planned for Fri 16/7 @ 11am but John will confirm. I understand that we will be given a more classical offering including the “Three Tenors”
- **Boules** – Boules will start again on Friday, 9<sup>th</sup> July 4.30pm on the Big Lawn. Please note change in time.
- **Fairseat Rainfall** – 2021 total ytd is 731mm (28.8”) Vs Ave 644.5mm (25.4”) to 31 July.
