Fairseat News 26th March 2021

I write to inform you that Anthony Thomas Brough, CBE passed away at 11.15 pm tonight at the age of 88 years. His death was not unexpected having long suffered from a chronic lung condition. He went peacefully with his two main carers, Raymond Kimani and Grace Achieng, both in attendance. His daughter, Laura had been able to spend quality time with him over Christmas but his son Jonathan has been stuck in Sydney, Australia.

Tony's appointment as a Commander of the British Empire was announced in the 1994 New Year Honours list when he was Deputy Executive Director of United Nations Environment Programme. Tony had a long association with Fairseat of over 27 years having been a member of the Fairseat Board from mid-1994 to May 2009 and Chairman of the Board from December 1997 to August 2005. He then moved into Fairseat as a resident in May 2012. He will be cremated in a private ceremony as soon as practical and he specifically ruled out any memorial service.

Our thoughts and prayers are with his daughter Laura in England and his son Jonathan in Sydney, Australia.
