## Hairdressing Salon

Our newly renovated hairdressing salon is ready for residents and the first hairdressing day is on Tuesday, 2nd August. Our hairdressing salon has always been named **"Nancy's Salon"** after **Nancy Rainbow**, a past resident in Cottage 7 who first had the idea of having a hairdresser come into Fairseat and hosted the hairdressing activities' in her cottage. Nancy died in June 2009 and Steve & Yvonne subsequently moved into the cottage. The hairdressing was relocated to the small building in the SE corner of Fairseat and the building quickly became known as Nancy's as a result. In 2019 we renovated this building and deemed it be an "apartment" which Angela moved into and still occupies. Hairdressing then did a bit of a migration before ending up in the back end of the laundry. The board decided it needed an upgrade and asked fellow director, Karen Baillie, to advise on a suitable design which was executed and thus we have our new Hairdressing Salon. A big thank you to Karen for all her hard work and we look forward to a busy hairdressing day with Lovey and Lydia.
